

Country Carriage House Model with White Vinyl Overlay

Country Carriage House Model

The Country Carriage House Model is hand-crafted with low maintenance in mind with its steel and vinyl construction. This model is corrosion and rust resistant due to its hot-dipped galvanized steel skins. Arm-R-Lite's Country Carriage House Model offers all the elegance of a Carriage House Door but with the strength and protection of a steel door. The Country Carriage House Model offers 2" thick steel sections with a composite overlay.

- Corrosion and Rust Resistant
- R-Value of 10.25
- Low Maintenance

Care Instructions:

Cleaning: Clean regularly with warm, soapy water only. Do not use abrasive cleanser.

Painting: Use a high quality, 100% acrylic latex paint. Use paint with an LRV (Lite Reflective Value) greater than 15%. This will exclude some darker colors from being used. The Country Carriage House warranty will be void if paint with an LRV of 15% or less is used.

Maintenance: Annual visits from a trained door technician can keep your door operating safely and smoothly.
