Custom C.I.™ Model - Windloaded

The Custom C.I.™ Model is the largest windloaded aluminum and glass overhead sectional door available on the market. It was designed to meet the needs of large openings where it can be manufactured up to a maximum width of 30'-2" wide. Since 1958, Arm-R-Lite has been consistently manufacturing the Custom C.I.™ Model and has never compromised on the quality of our doors. Because of this, Arm-R-Lite is able to produce replacement sections for any of our welded models, regardless of purchase date. The Custom C.I.™ Model is available with or without windload and comes with an unmatched 20-year welded frame warranty except the top section when trolley operated.

- **Maximum Width of 30'-2"**
- **Windloaded**
- **20-Year Welded Frame Warranty***
