## NEW PRODUCT ANNOUNCEMENT!

### WE'VE DONE IT AGAIN!

Arm-R-Lite is proud to introduce our newest innovation to the overhead sectional door market, Push-Out Awning Windows!

This product will allow customers to let fresh air into their homes and businesses safely and easily without having to open their sectional overhead door.

\*\*Please contact us regarding screen options\*\*

### Push-Out Awning Windows!

Our new push-out awning windows are **exclusive** to Arm-R-Lite.

Easy to open and close, these windows do not compromise the structure of our welded doors and seal tightly without drafts.
